

# International cooperation

Yutaka Taniguchi  
University of Niigata Prefecture

- motivation to join volunteer ( international cooperation)  
~based on my experience in abroad~

- reason I decided to join JICA

- explanation about JICA, my field (Tonga)

- now and future

# ? Why I was interested in international cooperation ?

I want to teach  
abacus to children in  
developing country

Samoa

Cambodia

Indonesia

Vietnam

Flushing toilet  
water by my self  
(no toilet paper)

There were different world  
I have never seen

They don't have shoes  
(cloth was dirty)

Many garbage  
was thrown

# ? why I chose JICA ?

I want to become  
the power to  
improve their  
lifestyle

I want to teach abacus  
in developing countries

- motivation to join volunteer ( international cooperation)  
~based on my experience in abroad~
- reason I decided to join JICA
- explanation about JICA, my field (Tonga)
- now and future

# ? What is JICA ?

JICA= Japan International Cooperation Agency

- long-term dispatch — 2 year
- short-term dispatch — within 1 year

field

music, community  
development, cultivation,  
sewer, nurse, hairdresser,  
soccer, elementary education...

# ? what will I do in Tonga ?

Focused on Abacus

Abacus is one of subjects in elementary school

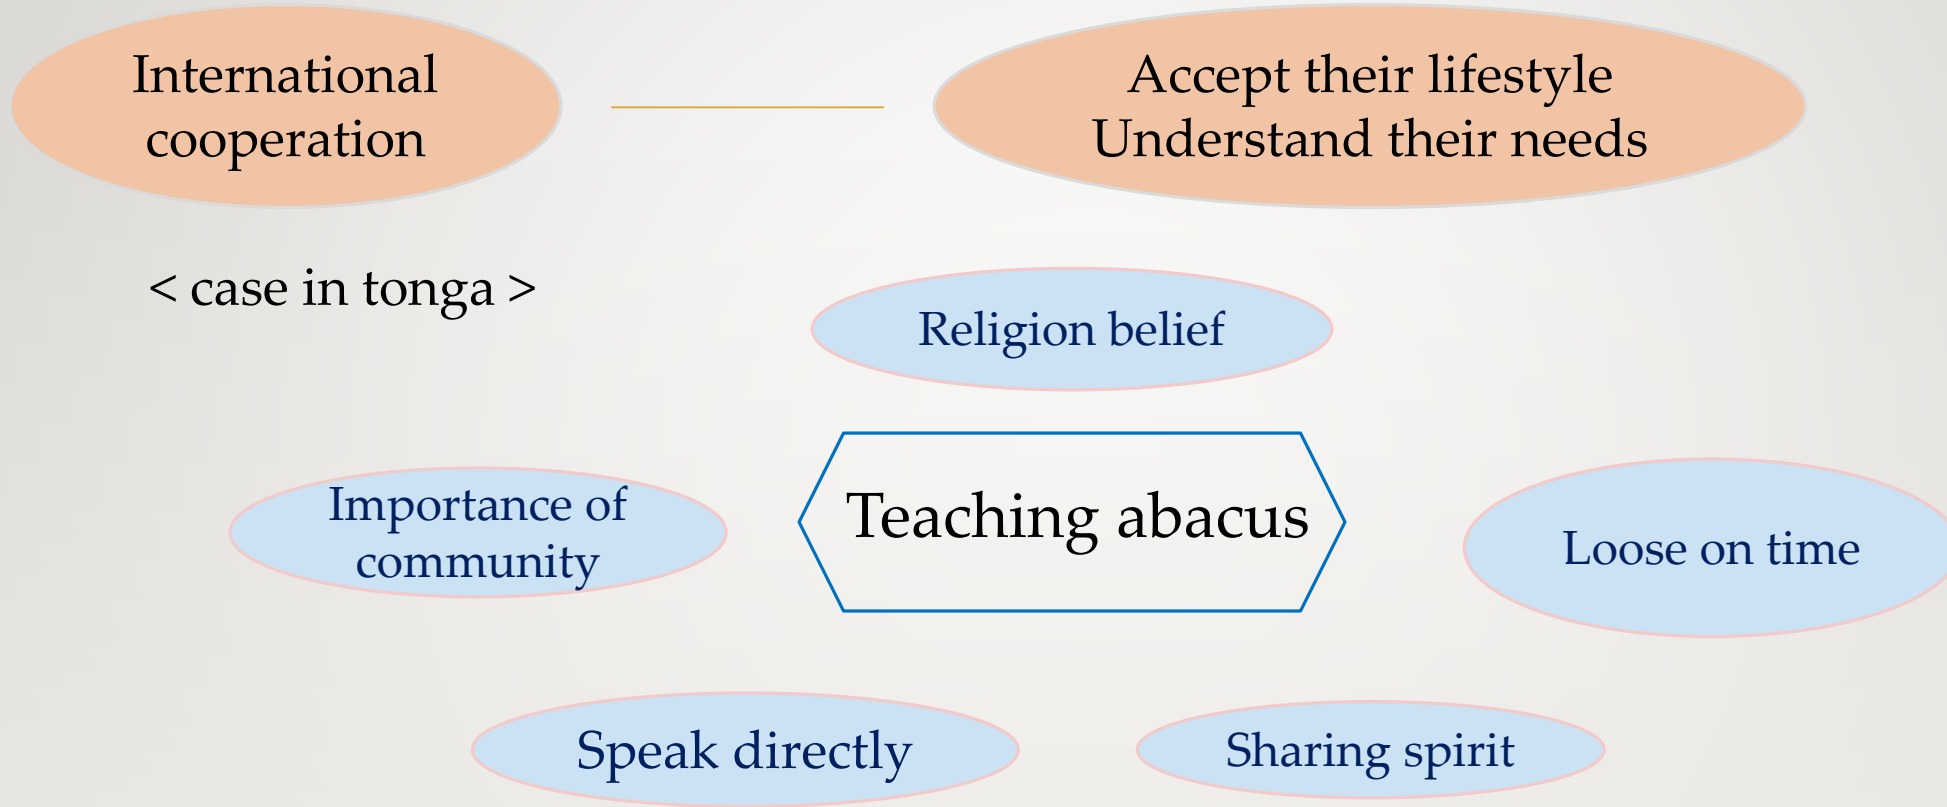

- The way in Japan is taught
- National convention is held once a year

- motivation to join volunteer ( international cooperation)  
~based on my experience in abroad~
- reason I decided to join JICA
- explanation about JICA, my field (Tonga)
- now and future

# Now(from graduation thesis) and future

1 episode in Samoa

It might be easy to be irritated because of their laziness. However, there is their own lifestyle. And they have their own treasure in their heart. We can see one through living together.

I want to become their power to improve their lifestyle, moreover, want to learn a lot of important things from them. I hope many people around me will become smile. 😊

Thank you for listening
